

SUPER SUPPERS

Your answer to ... “What’s for dinner?”

Graystone

SUPER SUPPERS *Community Support* is a program to help Graystone raise funds for their organization and program. Super Suppers will contribute “5%” of all Super Supper session proceeds by your group when you register for a walk in, a pick up or buy meals from the Grab and Go at Super Suppers San Jose-Almaden.

It’s Easy to Do:

- Graystone has been assigned a unique code for you, your friends, family members, and associates to use.
- Participants will go online and register for a Super Sessions session or pick up.
- When signing up, they will enter **the code: GRAY** in the coupon code field upon check out or tell a Super Suppers employee their code while checking out.
- Should you choose to take advantage of our **Grab & Go** or **Walk In’s** rather than book a session, just come in and purchase fresh or frozen pre-assembled meals and Graystone will still get “5%” of the proceeds.
- Super Suppers keeps a running total for the school and donates “5%” of all registered and completed Super Suppers sessions on a quarterly basis.

To learn more or to sign up for **Super Suppers**, visit our website at

www.sssanjosealmadenca.com, (408) 979-9321 or
